Remarks

Under contract-accepting backup offers. Welcome to Winter Garden! This home boasts 5 bedrooms, a bonus room, and nearly 3200 sq ft of meticulously designed living space. This residence offers an ideal floor plan tailored for modern comfort, featuring a dream kitchen with a massive island and breakfast bar, perfect for casual dining and entertaining. Espresso-colored 42-inch cabinets and endless granite countertops provide both style and functionality. The spacious family room is bathed in natural light, creating a warm and inviting atmosphere, while the formal living and dining rooms offer elegant spaces for gatherings and special occasions. Downstairs, a bedroom and full bath provide convenient accessibility. Ascend to the second floor and discover a versatile bonus room, perfect for a second family room or flex space, catering to diverse lifestyle needs. The HUGE primary suite is a true retreat, featuring a tray ceiling, an expansive walk-in closet, and a luxurious en suite bathroom with a garden tub, large shower, and double vanities. This home is further enhanced by elegant crown molding and wainscoting details, adding a touch of sophistication. Environmentally friendly solar panels have also been installed reducing energy costs. This property is not just a home: it's a lifestyle.
